and seeing their confidence in the water grow. Year three had a wonderful time at Cascade last week, as I am sure our year three parents heard all about it. We will get the photos available as soon as possible. Mr O'Brien did a terrific job acting as our very own professional photographer on the excursion. We are continuing to work hard in class this week when we return from the pool and are continuing to finish our key learning area units. Please encourage your child to keep up the home reading and to make sure they fill their journals in and bring them into me. Any library books your child has at home need to be returned to school preferably by the end of next week, so please start locating them if they haven't been seen in a while. Any questions, please see me.

Have an awesome week and I might see some of you helping out at the pool :)
