Small Schools and Regional Swim Carnival

Congratulations to the 22 students who represented Palmers Island Public School at the Small Schools Swim Carnival in Maclean last Thursday. Your achievements saw Palmers Island walk away as school champions on the day. A great achievement! Ms Hardaker "couldn't remember the last time we were champions of our small schools." Well done to Lachlan Skelton who was the Senior Boys Champion and Anthony Hickling the 11 years Boy Champion. Congratulations also to the 8 students who will represent our school and our community of small schools in Lismore this Thursday. Ms Hardaker will be there to cheer you along.

Scripture

Scripture is required to be delivered in public schools in NSW. Approved scripture programs are delivered by the lovely Mrs Zeitch and Mrs Allomes at our school. GodSpace is the name of the approved curriculum that the ladies use to structure their lessons. It is widely used in joint denominational programs in schools throughout NSW. If you would like further information please check out the link or phone Lew, The Clarence Valley SRE Coordinator.

Please note that students from Kindergarten to Year 6 who withdraw from scripture lessons will then participate 'non-scripture,' supervised by Miss Smith in the 3/4 classroom. They will undertake meaningful activities however we must adhere to policy ensuring no academic instruction or formal school activities occur during time set aside for SRE/SEE. If you do not wish your child to participate in these lessons for 2017, please place this in writing and send it into your classroom teacher. This is something that we require annually.

Kind Regards,

Ellie Wiseman

K/1 Class News

Welcome to week 5. Thanks to everyone who attended the parent meeting last week. A note will go home this week regarding suggestions for our Term 4 excursion. This year it is scheduled for Currumbin Wildlife Sanctuary. There have been suggestions to change it or reorganise the structure of the excursion. I am open to both. I look forward to your feed back.

Hope you all have a great week.

Kind Regards,

Ms Davies

2/3 Class News

Hello everyone and welcome to week 4. Well done to all those students who participated and swam exceptionally well at the Small Schools Swimming Carnival last Thursday.

This week we are very busy in the classroom as usual. As part of our English Stars literacy program, we are learning how to structure a speech correctly, and write our own. For Maths, we are continuing our work on time and looking at timelines. We enjoyed last week's coding lesson, and today we will look at Real-Life Algorithms. Thank you to those parents and carers who were able to attend our class meeting last Wednesday. If you missed it, I have sent home an information note with your child. Keep up the great work with helping your child with homework. I had everyone in the class

return their homework last week! Great work, team. Any questions, feel free to message me through Class Dojo.

Have a great week,

Miss Smith

4/5/6 Class News

Thank you to those parents who were able to attend the class meeting last Wednesday. A note has been sent home with the information for all families.

The children are enjoying working on their "Design your Dream House".

HOMEWORK: Children are asked to complete home reading 15-20min each day, please record this in their reading journal; Look, Say, Cover, Write, Check their spelling words (or spell orally to a parent) and a single page of Maths, related to the concept covered in class, to complete each week.

Year 6 shirts have been designed. Please return the note with your child's size and \$60 so we can process the order as soon as possible.

Kids in the Kitchen: 5/6 will be cooking on Thursday 2nd March, 9:15 – 11:30ish. We will need at least 5 parent helpers. If you are available please let us know. A menu will be organised this week.

Kind regards,

Kathy Hardaker
