3/4 Class News

Hello everyone and welcome to week 5. It sounds like we may be in for a wet and rainy week. The temperature is cooler, so please make sure your child has their school jumper handy to keep them warm.

This week we are very busy in the classroom as usual. As part of our English Stars literacy program, we are up to editing our speeches, and choosing some images to create a slide show to display when we present our speeches to the class later in the week. For Maths, we are doing fun investigations this week! Year 3 are designing and creating their own card game, and year 4 are planning a movie marathon day at the movies, through looking lots of timetables and organising data. We enjoyed last week's coding lesson, and today we will look at maze sequences. It should be another great week in the 3/4 room :)

Any questions, feel free to message me through Class Dojo.

Have a great week,

Miss Smith
